Re: Dead Creek Segment B
Administrative Consent Order with USEPA

Dear Paul:

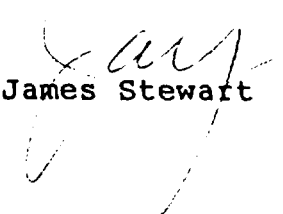

I enclose December 20 correspondence and fully executed Administrative Consent Order in connection with the fencing of Dead Creek Segment B. I received these documents on December 24, which means that payment is due to USEPA by January 13.

Cerro's share of the payment due is \$3,125. I tried to contact Cornell Boggs of Monsanto to discuss the arrangement for payment but he is on vacation until January 2. At that time, I intend to propose that Monsanto establish an account to which all parties can make their payment and from which Monsanto can issue one check to USEPA in payment of the \$12,500 due.

I will advise you of the payment arrangements that Cornell Boggs agrees to next week.

Warmest regards.

Very truly yours,

James Stewart

Re: Dead Creek Site No. 60

Gentlemen:

As required by paragraph 12 of the Administrative Order on Consent for the Dead Creek Site No. 60, I am sending you each a copy of the signed Order. The public comment period closed on December 14, 1990, and U.S. EPA received no comments which would indicate that the Consent Order is inappropriate, improper or inadequate. Therefore, pursuant to the terms of the Consent Order, your payment is due to U.S. EPA within twenty days of your receipt of this letter.

Sincerely yours,

Elizabeth Doyle

JURISDICTION

This Administrative Order on Consent ("Consent Order") is issued pursuant to the authority vested in the President of the United States by Section 122(h)(1) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986 ("CERCLA"), Pub. L. No. 99-499, 42 U.S.C. 9622(h)(2). The authority vested in the President has been delegated to the Administrator of the United States Environmental Protection Agency ("EPA") by Executive Order 12580, 52 Fed. Reg. 2923 (Jan. 29, 1987) and further delegated to the Regional Administrators of the EPA by EPA Delegation No. 14-14-E.

This Administrative Order on Consent is issued to Monsanto Company, Cerro Copper Products Company, Midwest Rubber Reclaiming and Ruan Transportation (hereinafter "Respondents"). The purpose of this Consent Order is for EPA to recover costs incurred at or in connection with the Dead Creek Site No. 60, also known as Dead Creek Segment B, located in Sauget, Illinois, and to resolve the liability of the Respondents for such response costs. Each Respondent agrees to undertake all actions required by the terms and conditions of this Consent Order. Each Respondent further consents to and will not contest EPA's jurisdiction to issue this Consent Order. This Consent Order will be binding upon EPA and shall be binding upon Respondents, their directors, officers, employees, agents, successors and assigns. Each signatory to this Consent Order represents that he or she is fully authorized to enter into the terms and conditions of this Consent Order and to legally bind the party represented by him or her.

STATEMENT OF FACTS

1. Dead Creek Site No. 60, also known as Dead Creek Segment B, is bordered by Judith Lane on the south and Queeny Avenue to the north in Sauget, Illinois (hereinafter "the site").

2. Hazardous substances within the definition of Section 101(14) of CERCLA, 42 U.S.C. 9601(14), have been or are threatened to be released into the environment at or from the site.
3. As a result of the release or threatened release of hazardous substances into the environment, EPA has undertaken response actions at the site under Section 106 of CERCLA, 42 U.S.C. 9606, specifically, installing a chain link fence around the site portion of the Dead Creek, and may require future response actions.
4. In performing this response action, EPA incurred response costs totalling \$49,974.51. Further response costs may be incurred by EPA in the future.
5. The Illinois Environmental Protection Agency has indicated to U.S. EPA that Respondents are responsible for discharges of hazardous substances into the site.
6. EPA and Respondents desire to settle certain claims arising from Respondents' involvement with the site without litigation and without admission or adjudication of any issue of fact or law.

EPA DETERMINATIONS

Based upon the Findings of Fact set forth above EPA has determined that:

1. Dead Creek Site No. 60, also known as Dead Creek Segment B, is a Facility as that term is defined in Section 101(9) of CERCLA, 42 U.S.C. 9601(9).
2. Each Respondent is a "person" as that term is defined in Section 101(21) of CERCLA, 42 U.S.C. 9601(21).
3. Each Respondent is a responsible party within the meaning of Section 107(a) of CERCLA, 42 U.S.C. 9607(a), and is jointly and severally liable for response costs incurred and to be incurred at or in connection with the site.
4. The past, present or future migration of hazardous substances from the site constitutes an actual or threatened "release" as that term is defined in Section 101(22) of CERCLA, 42 U.S.C. 9601(22).

RESPONDENTS POSITION

1. The consent of the Respondents to the terms of this Order shall not constitute or be construed as an admission of any

2. This Order is not intended for the benefit of any third party and may not be enforced by any third party.

6. Nothing in this Consent Order is intended to be nor shall it be construed as a release or covenant not to sue for any claim or cause of action, administrative or judicial, civil or criminal, past or future, in law or in equity, which EPA may have against Respondents for:

- (a) any continuing liability as a result of failure to make the payments required by Paragraph 1 of this Order; or
 - (b) any matters not expressly included in Covered Matters, including, without limitation, any liability for damages to natural resources.
7. Nothing in this Consent Order is intended to be nor shall it be construed as a release or covenant not to sue for any claim or cause of action, administrative or judicial, civil or criminal, past or future, in law or in equity, which EPA may have against any person, firm, corporation or other entity not a signatory to this Consent Order.
8. EPA and Respondents agree that Respondents signing this Administrative Order by Consent and the payment of the amount required in accordance with Paragraph 1 of this Consent Order does not constitute an admission of any liability by any Respondent and shall not be considered an admission of liability for any purpose. Specifically, Respondents do not admit and retain the right to controvert in any subsequent proceedings, other than proceedings to implement or enforce this Consent Order, the validity of the USEPA Findings of Fact and Determinations contained in this Consent Order.
9. In consideration of EPA's covenant not to sue in Paragraph 5 of this Consent Order, Respondents agree not to assert any claims or causes of action against the United States or the Hazardous Substance Superfund arising out of the EPA activities in installing a chainlink fence around the site portion of Dead Creek as defined in Paragraph 5 above, or to seek any other costs, damages, or attorney's fees from the United States, its agencies, employees or contractors arising out of such chainlink fence installation activities.

11. This Consent Order shall be subject to a thirty-day public comment period pursuant to Section 122(i) of CERCLA, 42 U.S.C. 9622(i). In accordance with Section 122(i)(3) of CERCLA, 42 U.S.C. 9622(8)(3), EPA may withdraw its consent to this Consent Order if comments received disclose facts or considerations which indicate that this Consent Order is inappropriate, improper or inadequate.
